Our Mission and Commitment

Since its founding in 1991, Historic Watertown, Inc. has been committed to preserving and restoring the City of Watertown's rich architectural and transportation heritage. The organization works to revitalize the economic foundation of the Historic District through collaborative community efforts that honor our historic past while promoting ongoing growth and economic development for both the city and the surrounding region. We are dedicated to collecting and safeguarding materials that reflect the city's evolving material culture and genealogy, ensuring the story of Watertown and its people is preserved for future generations.

Major Projects and Initiatives

Historic Watertown, Inc. has accomplished significant projects, including placing Watertown Square on the National Register of Historic Places, initiating the development of the Railroad Park, restoring the Town Square with new sidewalks and lighting, and assisting building owners with grants to help maintain their historic facades. The organization also maintains the Watertown Archives and the Atwood House property. Additional responsibilities include landscaping and maintaining the grounds of the town square to preserve its charm. Looking ahead, we have exciting plans for the upcoming year.

Join Us in Celebrating Watertown

We all hold a special affection for the town we call home, whether we were born here or choose Watertown as our own. We invite you to share in Watertown's continued success by becoming a member of Historic Watertown, Inc. To join, simply complete the membership form and return it with your check. Watertown is "Right on Track" and "Still Rolling Ahead"—we encourage you to join us on this journey.
